Our I's and Other Eves.

Our I's are just as strong as they were fifty years ago, when we have cause to use them. But we have less and less cause to praise ourselves, since others do the praising, and we are more than willing for you to see us through other eyes. This is how we look to S. F. Boyce, wholesale and cetall druggist, Duluth, Minn, who after a quarter of a century of observation writes:

"I have sold Ayer's Sarsaparilla for more than 25 years, both at wholesale and retail, and have never heard anything but words of praise from my customers; not a single complaint has ever reached me. I believe Ayer's Sarsaparilla to be the best blood purifier, that has been introduced to the general public." This, from a man who has sold thousands of dozens of Ayer's Sarsaparilla, is strong testimony. But it only echoes popular sentiment the world over, which has, "Nothing but words of praise for Ayer's Sarsaparilla."

The bill of fare embraced a concert, dance, cake walk and sparring contests. All the various features were spiritedly carried out, and mirth and enjoyment ran night. Local talent figured in the concert, and the buck and wins dancing were creditable performances. Quite a number entered in the cake walk, but the icing was won by Mike Kelsey, of Cleveland, and partner, Miss Ida Milser, of Wheeling.
